A soaring two-story foyer opens to a classic gallery that spans nearly the length of the home. One end of the gallery leads to a wine lounge with private his and her offices. The huge island kitchen, hearth room, family room and flex room form the heart of the family living space. On the second level, the master suite occupies an entire angled wing, while three additional bedrooms line the second floor gallery. The four-car garage opens to the mudroom, drop zone and second laundry room.
