FIRST LEVEL

This is a fresh concept of our award-winning St. James plan. The formal dining room and private library are situated off the foyer with its two-way staircase. The enormous great room, breakfast room and kitchen form a highly interactive axis of the plan. The second floor master suite is a true retreat with a sitting room, two-way fireplace, fabulous spa bath and walk-in closet. A laundry center, bonus room and three additional bedrooms are also located on the second level. The 4.5-car angled garage and stoop opens to a large mudroom, powder room and walk-in closet plus a flex room/office.
